

UNITED FORUM OF RBI OFFICERS AND EMPLOYEES

The Governor,
Reserve Bank of India
Central Office, Mumbai

30th March 2020

Respected Sir,

COVID-19 : Donation to PM's and State Govts' Relief Funds.

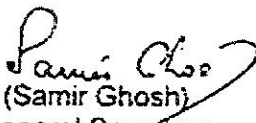

The whole country is going through an unprecedented 'lock-down' to prevent spread of deadly coronavirus. The Central and State Governments have embarked on massive relief and medical operations. The Central and State Govts have allocated funds for the purpose. Besides, the Hon'ble Prime Minister and Hon'ble Chief Ministers of States have appealed to the people and institutions for generous donations to help fight the menace. The people have started responding. The RBI staff are also willing to contribute their mite. They may please be permitted to contribute to PM's Relief Fund or State Chief Ministers' Relief Funds, as per their choice, by encashment of their ordinary leaves, by forwarding necessary advice to 'Samadhan'.

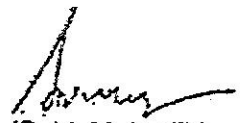

Some pensioners are also eager to contribute to the Relief Funds from their pension for the month of April 2020. They may also be permitted and Samadhan may be advised accordingly by the administration.

If approved, office may advise the staff through EKP and other portals.

Thanking you, sir, and with regards.

Yours sincerely,

(Samir Ghosh)
General Secretary
All India Reserve Bank
Employees Association

(S. V. Mahadik)
