Circular No. 04 /2015

TO ALL UNITS

20th February 2015

Dear Friends,

AIRBEA launches its website

The 31st Conference of AIRBEA decided to create a web site for AIRBEA for wider dissemination of its activities / approaches / views, to reach beyond the confines of its units and membership to wider areas and larger bands of friends and well wishers, for a greater connectivity and visibility.

We are happy to inform that the web site will be in operation from today in the web address www.airbea.in. We have incorporated many facets of our beloved Association, which is, however, not conclusive. We are searching for materials from the past for incorporation which may be of importance and relevance even today.

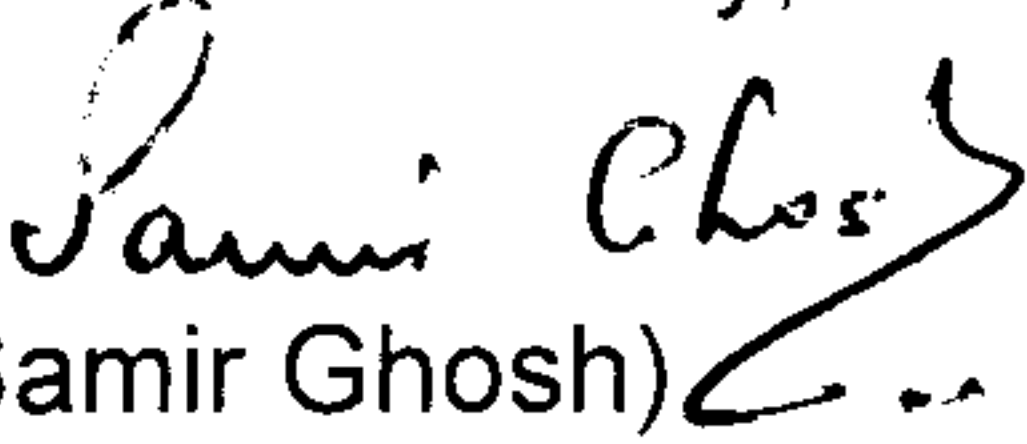

Friends, Comrades and Well Wishers are requested to furnish materials in their possession, if any, to supplement. Their suggestions to enrich the contents are most welcome.

AIRBEA headquarters thank Coms. Srirup Pathak, Alok Basu and Debasish Bhattacharjee of the AIRBEA office for their painstaking work in this regard.

However, starting a thing is easy, continuing it is difficult, as has been our unfortunate experience in many areas. The web site has to be continuously updated and upgraded to keep it relevant and need-based. For that everyone has to voluntarily put in his / her efforts for years after years. Our sincerity is the guarantee for its effective continuity.

With warm greetings,

Yours fraternally,

(Samir Ghosh)
General Secretary
